ANNUAL REPORT 2022-23

ANNUAL REPORT

St Paul's International School (CBSE), Rampurhat aims to be the Center of Excellence in Education in Birbhum District using the state-of-the-art technology, where the all-round development of the children are sown at an early age.

Mission:

To:

Deliver an infrastructure that is conducive for collaborative learning and performing providing an open, happy and secure environment for all our stakeholders.

Ensure each of our learning engagements is knowledge focused, skill focused and has relevance to real-life applications Embrace an integrated approach towards teaching and learning.

Academic Excellence

School Results March 2022-23 (Class 1 and VIII)

There were around 230 students from grade I and grade VIII who had appeared for the School Final Exams and we are indeed proud to say that all the students qualified for the next class as per their standard.

We congratulate these students for their excellent performance and extend warm wishes for their bright future.

Facilitators:

The most valuable resource that any school can have is its staff.

The school collectively has an enthusiastic and dedicated team of 21 Facilitators in the School,. In addition, we have Non-Teaching and Support staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives.

To enhance the teaching and learning strategies in our facilitators as well as to motivate the ability of our teachers for their professional growth, continuous workshops were being conducted for the facilitators.

Training, Seminars, Orientation and Counselling:

Each academic year, trainings, seminars and orientation programmes are conducted for teachers and students to improve and effectively implement innovative ideas in teaching-learning practices as well as to take the students beyond their current level of learning.

ANNUAL REPORT 2022-23

Parents Orientation Programme

An orientation was given to teachers on how parents can be involved in the teaching – learning process of the children. Parents' and Teachers' Meeting:

A General Meeting with the parents is held on a regular basis for the parents to be aware of the school system and to be aware of their ward's performance in school.

Academic Activities:

Competitions and academic activities that go beyond the text books and the classrooms, encourage and foster a healthy competitive spirit and effective communication skills in the students. The activities are conducted at classroom level, school level and inter-house level. Some of these events are handwriting, essay, speech and slogan writing, hand writing, singing and dance competitions. Competitions are also held for poetry recitation, story writing and narration, debate, English and Bengali/Hindi elocution, Olympiad exams for English, Science, GK and Maths are conducted at the local as well as National level.. Prizes are awarded during school assembly.

Co-curricular and Extracurricular activities:

These are an essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in-depth potential of students. The activities are conducted throughout the year.

Some of these events are Dance Competitions, Cookery Competitions, Poster Making, Best out of waste, chart making as well as dance competitions. Participation by the students and teachers in these events was very commendable.

Games and Sports Competitions:

Physical well-being attributes to mental well-being . Games and sports develop a sense of friendliness among the children and also build their team spirit. It helps children to develop mental and physical toughness. Bearing this in mind, the school provides ample opportunities for students to perform regular exercises and yoga, and to play and prove their mettle in various sports and games like in athletics, badminton, volleyball etc.

Conclusion:

We believe that every Year brings changes with new innovations. At the start of the new academic year each and every one of us will strive to improve in every field of our work.
